

We need YOUR help...

PLEASE Sponsor our AR Program!

Sponsoring the Perrine AOTA Accelerated Reader Program means all of our students will benefit from improving their reading skills so they can gain confidence, reach success in school and develop a lifelong love of reading. 

Reasons to Sponsor the Perrine AOTA AR Program:

1. The Accelerated Reader (AR) Program focuses on improving student reading performance, critical thinking skills and on instilling a love of reading.
2. Research shows: reading practice improves reading skills so kids can read to learn and read for fun!
3. Perrine students receive fun prizes and recognitions each school day for being readers who work towards their AR goals.
4. Perrine teachers use AR as a tool for each student to set reading goals, track growth and monitor reading comprehension.
5. Parents can track their child's progress through AR email alerts and parents can search for appropriate reading titles from over 180,000 AR quizzes through this site: www.arbookfind.com

We are asking that **every student bring in \$7.00 cash or check** to support our AR program. Parents are encouraged to sponsor additional students in our school to help those families that have financial needs.

The first class to have 100% participation receives a fun donut party for the entire class courtesy of Mrs. Del Rio!!! 😊

Should you have any questions about the AR Program or anything else related to reading, please do not hesitate to contact Mrs. Del Rio, Perrine AOTA Library Media Specialist. Thanks for your valued support!

Sincerely,

Mrs. Carla Rivas
