

Read all summer long... with Axis 360!!! This is a partnership by Miami Dade County Public Schools and the Miami Dade Public Library System to help students read anytime, anywhere, on any device for FREE!

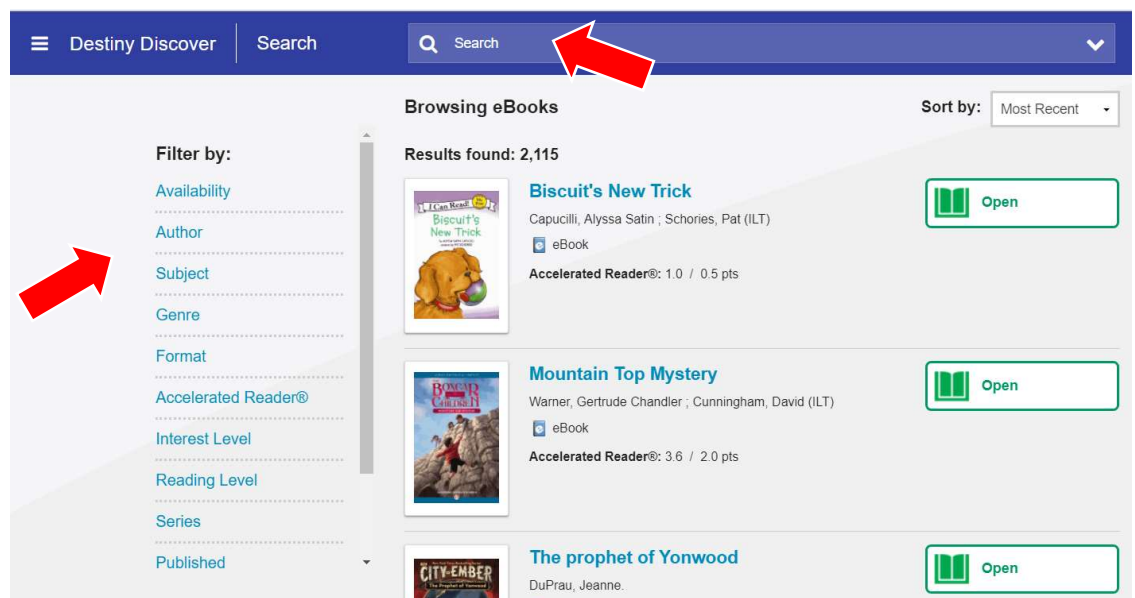

Follow these steps to begin reading eBooks and audiobooks for FREE!

1. Visit our school's website <http://perineelementary.dadeschools.net> Click on Media Center and then click on Catalog Search
2. Scroll down to eBooks or Audiobooks and click on "See All".

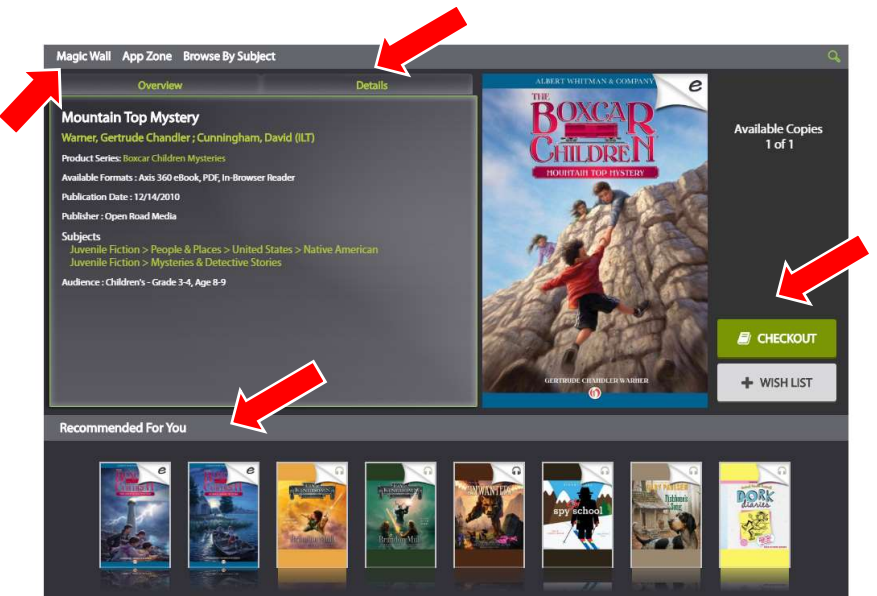

3. Once there you can either scroll or type in the book you want to read on the search bar above. Or you can change the filters on the left side (ex: click on Accelerated Reader to find only AR books).

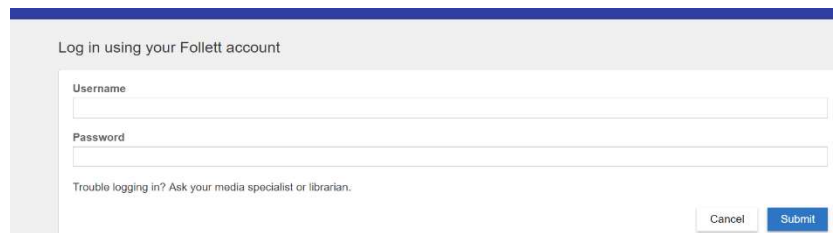

4. Once you find the book you wish to read, click on the "Open" button on the right. It will take you to the Public Library's Magic Wall...

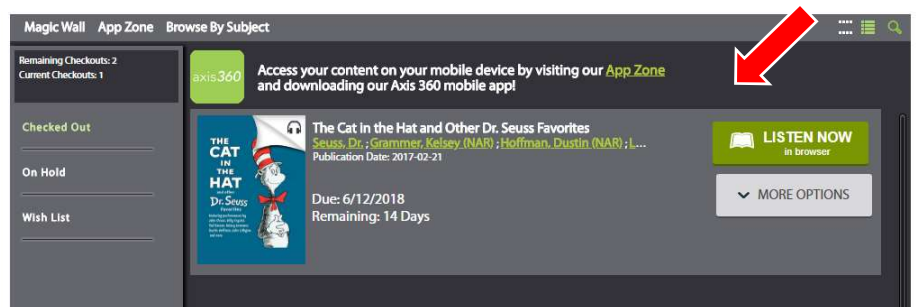

5. You can click on “Details” to learn more about the book or you can click on “checkout” to gain access to the book. Recommendations will appear below of other books you might want to read based on the book you selected. The big “e” means the book is an electronic book and the  means the book is an audiobook. If you want to make a new search on the magic wall, just click on the words “Magic Wall”. You will get new search options to narrow what you want to read.

6. Once you are sure this is the book you want to read, just click on “Checkout” and log in using your Student Portal Login (same one you use for iReady).

7. Once you log in, you can either “Read Now”(for ebooks) “Listen Now” (for audiobooks) or “download” in order to download the book to your device to read later. (You will need to download the Axis 360 app for FREE if you want to download content onto your devices.) Otherwise, you can always read or listen to your book within your browser on a computer without having to download the app.

8. And when you finish reading your book, you can click on “My Stuff” at the top of the Magic Wall to click on the “Return” button. You will have 14 days to read your book. You can check out up to 3 books this way. Any books not returned by the due date will automatically be removed from your account. Best part is you don't have to go to the public library to enjoy these books!

Happy Readings to all!!
