

Dr. Henry E. Perrine Academy of The Arts Fun Run Families,

Our class is so excited to participate in the Dr. Henry E. Perrine Academy of The Arts Fun Run fundraiser that kicked off yesterday. We are looking forward to rallying around our school and working together as a team to make Dr. Henry E. Perrine Academy of The Arts better. This is an important year for us, so we appreciate all the support your family can give.

Here's how your family can make a big difference by supporting our school through this fundraiser.

- 1. **REGISTER** your student(s) on funrun.com today. It takes 30 seconds!
- 2. **SHARE** with 5 family/friends using the SHARE tools on funrun.com. (Facebook, text message, or email) Students can earn rewards just for sharing from funrun.com.
- 3. **GIVE** a donation if you can.

Also, as part of our fundraiser, we are really excited to build our class's character through the character theme, Sports City Now. It's a sports news theme challenging students to be active and activate their character. Students will learn character lessons from 5 REAL kid-athletes who play different sports with character. Make sure to ask your students what they've learned each day, and together you can watch the story unfold on funrun.com!

Have a great day!

P.S. Make sure to register your child on funrun.com. Search for your school or use our school registration code: 849611
