Dear Parents/Guardians:

The Dr. Henry E. Perrine Academy of the Arts family welcomes you and your children to an exciting and productive school year! We are once again an "A" rated school, because of your interest and participation in your child's education. We are convinced that in order for children to have a successful and rewarding education there must be a positive and strong partnership between the home, school, and the community.

Security and the wellbeing of your children are our top priority. We have established guidelines to be followed by you and your children in our Parent/Student Handbook. Students and parents/guardians can access the Handbook documents on the Perrine Academy website located at <http://Perrineelementary.dadeschools.net> or you may request a copy from your child's homeroom teacher. To ensure OUR SUCCESS it will be important that all of us adhere to these policies. These policies remain a large part of learning as does the instruction in the classroom. Please familiarize yourself and your children with these policies and keep the handbook as a reference.

We urge you to keep in touch with our staff, to ask questions and make suggestions. To keep the lines of communications open Perrine Academy will utilize its website and APP to update you on any upcoming activities, important information and/or announcements. Working cooperatively, we hope to provide every student with the opportunity to develop his/her maximum potential. We look forward to working with you and your child(ren) during the 2018-2019 school year. Where are students go to Infinity and Our Teachers Go BEYOND!

Sincerely,

Carla D. Rivas  
Principal
